Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicant brings to the attention of the Examiner the document listed on the attached PTO 1449. This Information Disclosure Statement is being filed before the mailing date of a first Office Action after the filing of a Request for Continued Examination in the above-referenced application.

A copy of the listed document is enclosed.

Applicant respectfully requests that the Examiner consider the listed document and indicate that it was considered by making appropriate notations on the attached form.

The following document cited on Form PTO 1449 is in a language other than English:

DE 19 40 907 – The relevance of this document is disclosed in the enclosed English-language translation. The relevance of the non-English document is also disclosed in an English language version of a search report from the European Patent Office in a corresponding application citing this document and setting forth the relevance thereof. The relevance of this document is also disclosed in enclosed copies (in English) of the Written Opinion dated November 3, 2000, from the European Patent Office, the letter dated January 30, 2001, from Porta, Checcacci & Associati to the EPO showing AMENDMENTS, and the Notification of Transmittal of the International Preliminary Examination Report (Form PCT/IPEA/416) dated April 10, 2001, where the document is cited and discussed as D1. These documents are also derived from the European Patent Office in a corresponding application (PCT/EP99/10258).

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claim in the application and applicant determines that the cited document does not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such document.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
